**The policy regarding enrollment by an undergraduate in a graduate course requires:**

1. The students **must** have a minimum cumulative grade-point average of 3.0;
2. The student **must** have at least 12 units of upper-division credit with a grade of B or better in the subject of the graduate course;
3. Graduate courses completed by undergraduate students will not apply toward graduate degrees, unless taken while enrolled in a combined BS/MS program.
